

# AAFT WA Branch 2018 Report

## Anne Holloway | WA State Representative 2019

---

We have had a very successful professional development in 2018 with four presentations and an average of 20 participants and in July had 30 register for the PD Event. The partnership with AnglicareWA worked well.

We are very excited about 2019. We had wants now becoming the usual get together with the trainers in WA including Aldo Gurgone, Roxanne Garven, Ian Percy, Maurizio Andolfi and Lorena Cavallieri to discuss AAFT and PD Events for 2019. We decided on the following theme:-

***“Honouring Women practitioners who have inspired us and how these inspirations are reflected in our Practice.” We wish to reflect on, and celebrate Women practitioners from the family therapy field and other fields, as well as Women from our personal lives, who have been significant in shaping our 'becoming'***

The structure would be a 45-minute presentation with 15-minute open dialogue reflections from participants and then time for networking.

The proposed dates and presenters will be

March 25<sup>th</sup>, 2019 – Angela Ranallo and Anne Holloway  
May 6<sup>th</sup>, 2019 - Lorena Cavallieri  
July 29<sup>th</sup>, 2019 – Rosemary Watkins  
September 23<sup>rd</sup>, 2019 – To Be Announced.

The State Reps in WA are currently discussing with the WA Branch of AASW to market the PD Events. The first one in March will continue to be advertised by AAFT Admin and AnglicareWA.
